Gary...

in association with

Good afternoon and a very warm welcome to Directors, Players, Staff and Supporters of Mansfield Town Football Club.

The in form team and the divisions highest scorers, it will be a stern test for us. You have good and bad weeks in this game, but when you have one like last week it makes everything worth while, we started with a good win against Colchester on Tuesday. The next night our reserves took on a Sheffield Wednesday side with 5 internationals in their line up: Chris woods - England, Dan Petrescu - Romanian, Klas Ingesson - Sweden, Adem Poric - Australia, Andy Sinton - England and beat them convincingly 3 - 1.

The fans got their first look at John Maduka but more important was the manner of the performance, we completely out played and out passed a Premier division team of this quality. Then on Saturday to league leaders Carlisle 20 points in front of us, it looked a daunting task but our lads took to it magnificently and did enough in the first half to win the game comfortably, the second half was fairly even, but again the most pleasing aspects were the way we passed the ball, the attractive style of football we played and the solidness of our defending. I think the size of the Carlisle pitch helped passing, so it would be nice to see a repeat of that stylish football played on our new wider Deepdale pitch today. We were quite surprised and pleased that our request to widen the pitch was given the go ahead by the Football League this week. They said because it was our intention to increase rather than decrease the playing surface in the quest for a more attractive style of football they would give it their backing.

I hope you all enjoy today's game.
GARY.

FROM THE SECRETARY

With Audrey Shaw

We are looking ahead to the fixture here at Deepdale on Saturday 18th February, when we entertain Carlisle United, which I hope will prove to be as good a game as the one at Brunton Park. You will be aware by now that the fixture has been designated an "all ticket" game. On entry to the ground today you should have received a voucher which we hope will ensure all you regular North End supporters will be able to obtain tickets for this important fixture, but please note that demand may exceed the number available and the supply of tickets cannot be guaranteed.

Following discussions with the Local Authorities and the Police, it has been agreed that the Fulwood End (Kop), which is an all standing area be given over to Carlisle for this fixture. The other alternative would be to allocate the whole of the West Stand both seating and standing, which would mean giving Carlisle something in the region of 4,000. From a safety aspect it would not be possible to allow Carlisle to have the normal allocation which is given to visitors with the potential mixing of fans on the West Stand.This decision has been made with the safety of North End supporters in mind and I hope you will realise that any change which is made is with your safety the most important factor. We appreciate that this will cause inconvenience to season ticket holders on the Kop and so to accommodate those people concerned they may use the Town End or exchange the appropriate voucher from their Season ticket for a Paddock or Seat ticket by applications to the

Main Office from 10.00am on Thursday 26th January until 12 noon on Sunday 29th January at no cost.

I trust we can count on your co-operation in this matter and I thank you for your understanding of the situation.

Full details of ticket arrangements can be found overleaf.

INSIDE DEEPDALE

A TRIP DOWN MEMORY LANE FOR MARGARET

It was a birthday to remember for 90 year old Margaret Crawford when she visited Deepdale recently. The widow of former North End favourite Bobby Crawford, Margaret had not been to the ground for more than 50 years and was unaware that her husband was immortalised on the special mural, depicting major events in North End's history, which decorates the rear of the Pavilion Stand. Signed from Scottish junior side Glenbuck Cherrypickers, the same team which produced Bill Shankly, Bobby Crawford made 392 senior appearances for the Lilywhites as a stylish left half, including a remarkable sequence between 1925 and 1932 when he played in 281 out of 282 matches (his 187 consecutive appearances remains a North End record) before his transfer to Blackpool in 1932.

Since then, the football tradition has continued through the generations, with Margaret's son Bruce on the playing staff at Blackpool in the 1960's, while grandson Roddy is a keen supporter of the current Preston team, home and away.

Our picture (courtesy of Lancashire Evening Post) shows Margaret being welcomed to Deepdale by present-day manager Gary Peters, with the mural in the background.

YOUTHFUL SULLEY

North End left back Chris Sulley has been officially confirmed as the club's new Youth Development Officer. 35 year old Chris has been doing the job since the departure of Sam Allardyce to Blackpool in the summer having previously assisted sam with looking after the schoolboy side of the job. The appointment puts Chris in charge of players from the age of ten through to eighteen and he will be joined shortly by a full-time assistant, a job earmarked for Gavin Nebbeling who sadly though had to turn it down as he is leaving the area because of family commitments. Chris said "It is a great opportunity for me to continue to develop the youth programme at this club. My main ambition will be to bring one or two youngsters through the ranks and see them break into the first team. That will be very satisfying."

WIDER AND WIDER

No your eyes are not deceiving you, the pitch is bigger! Beginning with today's game , the Deepdale playing surface has been extended in width by 5 yards to make it 75 yards in total. Boss Gary Peters sought permission from the league to widen the Deepdale surface and the league have agreed with his reasoning that more width will allow for more attractive flowing football. The unprecedented step of allowing a pitch size to be altered during the season has meant a busy week for groundsman Peter McCallion who has been remarking the touch and corner lines. One problem for Pete to work on was the trails left on the original touchlines by the linesman which led to Gary Peters to joke "They look like the scorch marks left behind by Kevin Magee". It looks a bit ominous for the Mansfield right back.

AROUND DIVISION THREE

With Mike Payne

Carlisle are going to win the Championship. That is the only outcome now having seen North End totally outplay the Cumbrians and still only manage a draw. If there had been any justice we would have scored a winner but you have to hand it to Carlisle as they still kept their long unbeaten run going. It is a famous cliche but if you can get results when not playing so well then it will be very hard for the other teams to stop them. It was great to see North End playing so well away from home and it will give them encouragement today when they take on another form team in the division, Mansfield. Their win last week in a seven goal thriller against Wigan was a ding dong encounter. Three times Wigan equalised but the free scoring Stags still found a winner with a minute to go when Dollan scored. Also amongst their scorers was Steve Wilkinson who took his tally to 16 goals for the season. Mansfield also became the first side past 50 league goals in the division

Another thrilling match came at Plainmoor where Torquay beat Walsall 3 - 2. The visitors led with a goal right on half-time and then there were four goals in ten minutes with Sturridge scoring the eventual winner. Walsall were one of the few sides at the top who didn't get a result as Chesterfield beat Scunthorpe 3 - 1 with two goals by Moss and Colchester and Barnet shared a 1 - 1 draw. One of the shocks of the day was Hereford's draw at Bury where the visitors equalised with an 85th minute penalty

Farrell Kilbane
continuing his loan spell at Barrow

by Reece, and that was after they had yet another player sent off! Another match that produced four goals in ten minutes came at Hartlepool where bottom club Scarborough gained a creditable 3 - 3 draw. Northampton leap frogged the troubled Gillingham side who had a terrible week, and if Scarborough can find a couple of wins they will then be amongst a pack of six clubs who are separated by only four points. The dog-fight is on for the dreaded wooden spoon.

News of ex North Enders since I last wrote for you. Farrell Kilbane scored for Barrow where he is on loan until the end of the season from North End, and in another non-league game our old mate Mike (Basil) Rathbone scored for Halifax who are doing well under John Bird's management. In the league, Ian Bogie scored from the penalty spot for Leyton Orient and Ian Stevens came on as substitute for Shrewsbury and promptly made their winner against Chester. Chester had David Flitcroft in their line-up whilst Martin James played in Rotherham's 2 - 0 win over Wycombe. Well done Martin, I love seeing Wycombe lose! Kelham O'Hanlon failed to keep Hearts from scoring twice against his club Dundee United and Howard Kendall made a good start at Notts County in his first game in charge. Finally Ian Nolan, who was at Deepdale for a short time scored a last gasp equaliser in the Premier match at Chelsea.

HERE TODAY

Between the sticks

DARREN WARD...Darren has progressed through the youth ranks at Field Mill after joining the club as a trainee and is now in his third professional season. Born in Worksop, the 20 year old has been in good form this season and has spent most of the campaign as first choice keeper. In recent weeks he has shared the number one jersey with John Trinder but returned to action in the FA Cup versus Wolves.

JOHN TRINDER...John joined Mansfield in November from Grimsby Town on a non-contract basis. He made his first League appearance as a substitute for Darren Ward in the nailbiting 4-3 win over Scunthorpe in mid-November. He also played in the 5-2 win over Scarborough and kept a clean sheet in the 3-0 win against Barnet.

Leading from the back

ADRIAN BOOTHROYD...An ever-present at the time of writing, Adrian joined Mansfield in December 1993 from Hearts for an undisclosed fee. The Bradford born defender started with Huddersfield Town as a trainee and made 10 League appearances before a transfer took him to Bristol Rovers. Hearts snapped him up in the 1992/93 season but he was unable to break into the senior squad making just 4 appearances as substitute for the Scottish Premier League club. Andy King took him to Field Mill soon after his arrival and the 23 year old has missed only a couple of games since.

IAN BARACLOUGH...Ian started out at his hometown club Leicester City signing professional forms in December 1988. After loan spells with Wigan and Grimsby, which gave him his first taste of League

ANDY KING
Manager of Mansfield Town

action, he made a permanent move to Grimsby. In August 1992 a free transfer took the 24 year old to Lincoln City. It was at Sincil Bank that he gained most of his League appearances with 68 full games. Ian moved to Mansfield during the close season and he has settled in well, not missing a match since mid-September and scoring 2 goals in recent weeks.

LEE HOWARTH...Bolton born defender who started out with non-league local side Chorley before moving on a free transfer to Peterborough United in August 1991. He spent 3 seasons with Posh clocking up 56 full League appearances. He moved to Field Mill in July 1994 in a £15,000 deal to provide experience in the Stags' defence.

BRENDAN ASPINALL...A close season signing, Brendan earned a contract with the Stags after impressing the management team with some brilliant displays in the reserve side last term. The 19 year old has also been with Huddersfield Town but had to wait until this season before making a League appearance - his senior debut came on the opening day of the season in the 2-1 win at Rochdale.

MARK PETERS...Signed in September from Peterborough United, Mark has been a regular in the side this season. His footballing career began at Manchester City where he was a trainee; a free transfer took him to Norwich City in September 1992 but, unable to hold down a first team place, he moved to Peterborough in August 1993. Last season he made 17 full League appearances for Posh. The 22 year old has been capped at Welsh Under-21 level.

KEVIN LAMPKIN...Kevin was signed last February from Huddersfield Town and gained a regular place in the side until the end of the season. The 22 year old Liverpudlian joined Liverpool from school and completed an apprenticeship before moving to Leeds Road. This season has seen the utility fullback/midfielder miss the first half of the campaign - he returned to action versus Hereford on Boxing Day and inspired the team to a 7-1 win!

Men in the middle

PAUL HOLLAND...One of Mansfield's most consistent players and one subject to much transfer speculation in recent months. Paul completed a youth training scheme at Field Mill and signed professional forms in July 1991 and after making his debut on the last day of the 1990/91 season has been a virtual ever-present ever since. The 21 year old midfielder reportedly turned down a move to First Division outfit Port Vale earlier in the season, eager to add to his tally of 135 League appearances with Mansfield. The former England Youth International is the Stags' Player of the year.

SIMON IRELAND...Young winger who started his career at Huddersfield Town as a junior. Simon went on to make 19 League appearances for the Terriers and a further 5 whilst on loan at Wrexham. His excellent form had scouts flocking to Leeds Road before Kenny Dalglish parted with £250.000 for his services in November 1992. Unfortunately for Simon, his Ewood Park career did not take off

due to long-term injury problems and after just one substitute appearance he went on loan to Mansfield in March 1994 and made the move permanent at the beginning of the season in a £65,000 deal. He scored Mansfield's winner against Leeds in the 1-0 Coca Cola Cup victory.

KEVIN NOTEMAN...Born in Preston, Kevin joined Leeds United as a trainee and made 1 League substitute appearance for United before a £10,000 move to Doncaster Rovers. He gained a vast amount of League experience in a 2 ½ years with the club clocking up 105 full League appearances. He was transferred to Mansfield in March 1992 for a fee of £35,000 and soon claimed a regular place in the side. This season, the 25 year old has been involved in all matches so far and has scored 4 goals.

CHRIS TIMONS...Nottingham born Chris joined his local side Mansfield as a trainee and has successfully progressed to be a member of the first team squad. 20 year old Chris made 15 full League appearances last term and has added several more to his tally this season. Versatile Chris can play in either midfield or at full-back.

In attack

STEVE WILKINSON...This season's leading goalscorer at Field Mill is Steve Wilkinson with 14 at the time of writing, including a hat-trick in the 4-2 win versus Chesterfield in December. The 26 year old has been Mansfield's main goalscorer over the past 5 ½ seasons since his £80,000 record signing from Leicester City in October 1989. Amazingly, Steve has been involved in all first team matches since September 1992.

GARY CASTLEDINE...Gary is in his fifth season with the Stags after being snapped up from local club Shirebrook Colliery. Born in Dumfries, the 24 year old midfielder/forward is described as skillful and tricky. He made his league debut in March 1992 and has been regularly involved in the squad since, becoming a firm favourite with the Mansfield supporters.

JOHN PEARSON...John joined Mansfield in November from table-toppers Carlisle United on a free transfer. The 31 year old is in his 15th professional season and up to the end of last season had played 227 full League matches for his various clubs which include Sheffield Wednesday, Leeds and Barnsley. The former England Youth international made his Mansfield debut coming on as a substitute in the 1-3 defeat versus Walsall and has appeared on the bench several times since.

STEWART HADLEY...Dudley born forward who signed for Mansfield from Derby County in February 1994 and made an immediate impression with goals in his first two games. The 21 year old could not gain a first team place at Derby after a free transfer in July 1992 from Halesowen Town but since his move to Field Mill has maintained a regular place in the first team. This season has seen Stewart miss only a couple of matches and he has scored 7 goals.

PLAYER PROFILE

GAVIN NEBBELING

Born :- Johannesburg, 15.5.63
Age:- 31
Height:- 6 ft
Weight:- 12 st 10 lb

Do you have any nick-names at North End?

" I get called Big Gav fairly regularly. Apart from that, I don't have any, but people take the micky out of me no end around here."

You have been forced to retire from competitive football through injury. When and where did you sustain the injury, and what exactly happened?

" I played in the away game against Rochdale last season and I went for a tackle, got up and as I pushed off with my leg, my calf muscle ruptured. Since then, it has ruptured a further four times, so five times in total."

Did you think that you would recover from the injury at the time and did you have any surgery?

" After the first rupture, I knew it was a severe injury. It was a bit like being shot, the whole muscle was ruptured in two. I'd never had any injury to that extent before, although I had ruptured my right calf before and I initially thought it would be a similar injury. However, when I got up the next morning, I knew it was going to be long term. I had the normal physiotherapy procedure, only for it to fail. I didn't have surgery, because apparently you can't operate on the calf muscle, it's got to heal with scar tissue. Surgery would only ever be used to remove any blood clots that may hinder the healing process. In my case because the rupture was so long, it didn't heal correctly, so I was unable to play again."

How does your calf feel nowadays?

" I can get around O.K. and I jog, but the muscle isn't strong enough to stand up to the physical exertion of football."

How long after your injury did you start coaching the youngsters and how did you get into it?

" I sustained the injury in February and at that time Sam Allardyce and Chris Sulley were training the kids and as soon as Sam left, John Beck asked me if I would like to help Chris, who had been put in charge by then."

How have you enjoyed coaching them?

" I've thoroughly enjoyed it, coaching has been a great experience for me, especially working with such talented youngsters. It has also taught me a lot about that side of the game that players just aren't aware of, such as running games for under 10's to under 16's, as well as the day-to-day training of the YT lads. There is a lot of paper work and organising of fixtures to do, so it has been very eye opening for me."

When did you decide it was time to finish and why?

" Basically the long hours of the job meant that I haven't been able to spend as much time as I would like with my family. It's a seven days a week job, which leaves my wife with two children to look after, which makes the decision really. Obviously my family is my number one priority, above anything else and I have to consider their needs."

What do you plan to do when you move back south?

" Once I have finished my notice at Preston, I haven't as yet got a job to go to down south. Obviously I'll be looking to get into football in some capacity, but failing that, I'll just see what presents itself."

What will you miss most about Preston when you leave?

" I can honestly say that the two year period I have spent here has been one of my most enjoyable experiences in football. The biggest thing I will miss is playing, especially in front of those supporters. I'll miss working with Chris Sulley, who I have developed a good working relationship with. I will really miss the support, the warmth and the affection of all the supporters and the passion they have for the game. The fans here have a great deal of respect for you as a player and if they see you in town, they'll speak to you with real warmth. That's something you don't get in London. All the fans here are crying out for success and I hope and pray that it comes, because they deserve it."

How does the North End you are leaving compare to the North End you joined?

" When I came here I felt sure that the club was going places, but that it had maybe lost it's way a little bit. I feel even more confident of Preston achieving success now than I did when I signed. John Beck did an awful lot of work when he was here and I think he laid down a firm base for future development, and I believe Gary Peters can produce the end product. The club is healthier now than it was when I first signed and I firmly believe success is round the corner."

What does the future hold for North End's youth players in your opinion?

" They are a very, very talented group of players and I think they all have a very good chance of making the grade. I know that Geoff McDougall and Chris Sulley will bring the best out of them and I hope that my successor can help them do that."

You were playing for Arcadia Shepherds in South Africa. How did you get into English football with Crystal Palace?

" I was due to sign professional forms for Arcadia, before I did my National Service. I didn't want to sign, but they tempted me to do so by offering me an all expenses paid trip to the UK as part of my signing on fee. They said that if I made it over here, they wouldn't stand in my way. I had trials over here and Crystal Palace took me on."

Had you always lived in South Africa prior to playing in England and was it a big decision to leave?

" I think it's an even harder decision to leave here. It was a tough decision as a youngster, but I was moving towards a dream. In leaving Preston I feel as though I'm walking away from a dream. When I moved to England, I had no commitments. It hurt to leave my family then but I was going to utilise a dream, which fortunately materialised. Now I have a wife and two children and they have to come first."

Who was the most difficult opponent you ever faced?

" As a youngster, I remember playing against Joe Jordan at Southampton. He didn't care if you were a youngster, he let you know how the game should be played, so he was a good test for me. I played against Kevin Keegan when I was only 18, at Newcastle. He was a great test too, as he had such a reputation at the time, but in football I feel that the hardest opponent is the next one you face, because he is who you have to concentrate on."

When you were a player, did you ever plan to go into coaching at a later date?

" No, I didn't want to go into management or coaching because I saw all the pitfalls of those jobs, but once I got involved with the youth set up I absolutely loved it, and I think it is something I may like to do more of at some stage."

How do you think North End will progress in the next few years?

" The youth set up here is very strong, which will enrich the club in the years ahead. I firmly believe that Gary Peters will have success here and with the backing of the Board I think Preston North End will become one of the biggest clubs in the country, which is where it should be."

Finally Gavin, is there anything you'd like to say to the fans?

" I would like to thank them personally for their great support, it really is appreciated. I really will miss their warmth and support. Everybody I have spoken to has been so understanding and supportive of the decision I have made, and I hope and pray you get the success that you deserve."

EVERYBODY CONNECTED WITH NORTH END FOOTBALL CLUB WOULD LIKE TO THANK GAVIN FOR HIS HARD WORK AT DEEPDALE AND WISH HIM AND HIS FAMILY EVERY HAPPINESS FOR THE FUTURE.

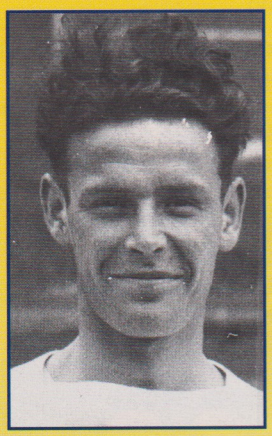
NORTH END ON TOUR

"PRESTON SOCCER OUTFIT DEFEATS BETHLEHEM"

That was the headline in the sports page of the New York Times when PNE took on and beat a team called Bethlehem Steel 2-1 in front of just 1700 spectators at the Cycledrome, Providence, Rhode Island on 9th June 1929, as part of Preston's tour of U.S.A & Canada.

Alec Hair, operating at centre-forward apparently played brilliantly and scored both of Preston's goals in the first half. He opened the scoring just two minutes into the game, latching onto a loose ball which had bounced off his marker, Carniham. Hair's second goal ten minutes later was a gem, and capped a rapid fire movement in the North End forward line which swept aside the



ALEX SHERRY

Bethlehem defence. Reid put over a head high centre which Hair met head-on and steered it past Beveridge, the Beths goalkeeper.

The home side pulled a goal back late in the first half through Johnny Haap, an inside forward who caught the eye of the travelling Preston directors so much that they tried to sign him on.

Those fans who bothered to crawl out of the woodwork to see Preston display a sample of English style football were well rewarded as the visitors superior positional play, accurate passing and close dribbling skills were in abundance.

George Harrison, North End's left-winger renowned for his dead ball kicking did not disappoint the crowd as he demonstrated his power on a number of occasions.

Jock Ewart in the North End nets did not have too much to do but he was more than capable when called upon.

Bethlehem with ex-North Enders Tom Gillespie and Walter Jackson in their side battled hard but just lacked that final finishing shot.

North End on the other hand seemed content to display their professional talents and deserved their win.

SPECIAL FEATURE

Ian Rigby

HAPPY ANNIVERSARY SPECIAL FEATURE.

Exactly 120 years ago to the day local history was created when a small group of enthusiastic sportsmen took the plunge, so to speak, and moved the short distance from Moor Park to a site that they had just leased on nearby Deepdale Farm. It has been the home of Preston North End ever since. Mind you it was to be nearly four years before the first game of soccer was seen on the new ground, as cricket and rugby were the games usually played by the club members. Athletics meetings were also commonplace at the time too. Their new location at Deepdale was soon to be known throughout the footballing world as the club expanded and the "Old Invincibles" made their mark on the game. Preston North End's first full competitive season using the round soccer ball instead of the oval rugby ball was 1880-1881. Since then soccer has been played on the ground continuously except for a three year spell during the Second World War, when the stadium was closed down and put to use by the Army. As we enter a new era with plans well under way to modernise the stadium we all look on with interest to see what the future holds.

MASCOT MEMORIES

Mark Egan takes his place alongside the Barnet Mascot, the two team captains and the officials

Steve Cowell writes.....

They played for both clubs

Despite his surname Steve Uzelac was a typical dour Yorkshire-born defender. Nothing fancy for well built Steve, who had the honour of playing rugby as well as football for Yorkshire Schoolboys. He was signed from Doncaster Rovers in May 1977 on a free transfer, but had to wait six months before making his North End league debut due to the fact that the experienced Graham Cross and young Mick Baxter had formed such a good defensive partnership from the start of the season. Steve was at Doncaster Rovers, his hometown club, at the same time as former North End favourite Mike Elwiss. During the twilight of his Doncaster career Steve was loaned out to Mansfield Town, but he only managed to play a couple of games for the Stags. In a questionaire back in 1978, Steve stated that Doncaster Rovers was his favourite team, but signing for them was his biggest disappointment! Because of the form of Cross and Baxter, Steve's chances were limited at Deepdale, but believe it or not he was a North End squad player for nigh on three years. In March 1980 he moved on to Stockport County, where he had a better chance of first team football.

Steve Uzelac

Greg Fee

No fee for Greg Fee! He is one to jog the memory bank this week. Can you remember the guy and more to the point, why did we not sign him? Having started his career at Bradford City, Greg then drifted into non-league obscurity with Boston United, before being rescued by Sheffield Wednesday. It was from the Owls that North End initially signed him on loan and he instantly proved a valuable asset, steadying and pulling together a defence that had up till then been letting goals in left, right and centre. Greg's composure on the ball belittled his large frame and helped him out of many sticky defensive situations. He soon impressed the fans as well as the management, which led to Preston North End making an offer for the Halifax-born player. With no Baxi Partnership in the background North End could not unfortunately match the £60,000 asking price, but at least had the consolation of an extension to his loan period. A player rated by the fans and by other teams Greg totted up a total of 15 appearances for us before beginning a merry-go-round of loan deals with other clubs, prior to being signed on by our opponents for this afternoon, Mansfield Town. In fact he played more league games for the Stags than for any of his other six clubs.

Football wins the Pools every Saturday

Every time you enter Littlewoods, Vernons and Zetters Pools or Littlewoods Spot the Ball you are helping the game at all levels. The Football Trust administers funds from the Pools, helping clubs to improve safety and comfort.

The Trust receives some £37 million every year, all of it coming directly or indirectly from Littlewoods, Vernons and Zetters Pools and Littlewoods Spot the Ball.

Football also receives £8 million a year for the use of fixtures on coupons and Littlewoods, the game's biggest benefactor, is the first sponsor of the FA Cup.

Up and down the country, clubs are building new grounds, stands, seating and roofing. All depend on the support of the Football Trust and on the success of the football pools.

PAPER TALK

by Brian Ellis
Sports Editor The Lancashire Evening Post

Golden shot Andy Cole was just putting pen to paper last week as news came in of Gillingham's bellyflop into receivership.

It's a mad, mad world when one player can cost £7m and an entire club be at death's door owing just a fraction of that.

It is also a mad, mad world when one player's gilt-edged future can grab all football institution with 100 years proud history is almost totally ignored by the media.

You needed a microscope to find the sad story of Gillinghams FC as the national press went Cole crazy.

To be honest, if it hadn't been that story, it would have been something else.

I've said it before and I make no apologies for saying it again the fortunes of the clubs in the lower divisions of the football league no longer matter to the morning papers.

Rash statement? Well, just to prove the point, I did a trawl through the Monday morning editions this week to find mention of North End's great performance at Carlisle.

The fact that United are running away with the Division 3 title, possess the longest unbeaten run in the League and have a reporters dream like Michael Knighton in charge, should have helped at least the epic confrontation a brief mention.

Believing, as I have for many years, that the Daily Telegraph is the place to look if you want to know anything about everything in sport. I turned to their splendid pull-out (incidently bearing the boastful tag 'Newspaper Of The Year' on its masthead.

Plenty of Premiership, as you might expect, and reports from four Division 1 matches and the Scottish scene. We were even treated to 19 cms of Conference football, can you believe? and the same on European action. But not sausage about divisions 2 and 3.

When non-league is deemed more relevant than the professional stuff, the paper's judgement has got to be seen as highly suspect. Especially when more than 100,000 fans turned out to watch games in those two forgotten divisions last Saturday compared with a mere 9,247 in the Conference (more than 1.000 less than Carlisle v PNE on its own!)

But while the others aren't quite as cock-eyed, most are just as bad in ignoring the League's bottom two divisions.

I found one mention in the tabloids, a three paragraph effort in the Express. And even then they couldn't resist Knighton instead of describing the match.

Opening up the Independent produced the shock of the day, a rare account of a Third Division game. Not surprisingly, though ,it turned out to be Gillingham at Northampton - and the report was clearly only there to give the last rites to the Kent club. The parallels with Man Utd and Newcastle were irresistible for the man from the Indy

Thoughts of dole not Cole from a side which once traded a striker, not for £7m but for a new set of tracksuits!

But, if the treatment being dished out to a basement club by the national papers is little short of scandalous, what of TV?

With Sky and the BBC having snapped up the Premiership and FA Cup. ITV choosing only to screen regions 'live' games from Division 1 - despite having a contract for the whole of the Endsleigh League - and now the cable channel Wire Sport showing Conference games live, is it any wonder no-one takes Divisions 2 and 3 seriously?

Perhaps that is precisely the reason poor Gillinghams are in such a financial mess. And perhaps they won't be the only ones in real danger of closure if the 45 other inhabitants of football's twilight world don't pull together to get a fairer deal.

18 GOAL SCORED

The fans were allowed in for free and got a first glimpse of Malawi international striker John Maduka as well as Dominic Woghters the Belgian keeper who is on trial. The two newcomers found their team mates in sparkling form as North End completely dominated the first half. Mike Conroy set the ball rolling when he turned gracefully in the box before hammering a shot past Chris Woods from a Neil Trebble left wing cross. The home side went further in front when Gareth Ainsworth's speed down the right outstripped the Wednesday defence before a glorious centre for Conroy to head home his second goal. John Maduka was having a fine match firing one just over as the Deepdale fans warmed to him, his close control with the ability to hold the ball up together with an high workrate are all qualities he appears to possess. North End played some exciting football and you could have been forgiven for thinking they were the men from the 'Prem', Woghters in goal being merely a spectator for most of the time.
Dean Emerson replaced Stuart Hicks, who had picked up a slight hamstring strain, at the start of the second half when Richard Lucas dropped back to a central defensive position from midfield to allow the substitute to operate in the middle of the park.
The fans were in jubilant mood when a defensive error let in Maduka, quick as a flash he took possession and from the edge of the area gave Woods no chance to put Preston three up.
'The Owls' managed a short spell of pressure but rarely troubled the North End defence, Gordon Watson did get a consolation goal when his shot went in via the underside of the bar. This was a good all round Preston team performance and certainly the best of the season against a very strong side. The fans trudged off home in a happy mood and so did I.

PNE YOUTH

by John Draper

An Exciting Start To North End's New Year.

After a break of three weeks our youths were back in action beating Bury youths by 3 goals to 2 on Saturday morning the 7th January, in a Lancashire League Division Two game, although, in the meantime they had not been in-active. Chris Sulley and Gavin Nebbeling arranging a practice trial match between the North End youths and North End's Under 16's school boy team, and although the youths were stronger, it was a good game played on a very heavy pitch, at times with snow falling. The youths scored 8 goals, the schoolboys 2, but a lot of interchanging of players took part, and I am sure it was beneficial to the lads after the Xmas festivity. Thanks goes to British Aerospace Sports and Social Association! Meadow Lane Preston, for the kind use of their facilities.

Saturday 7th January 1995
PNE 'B' (0) 3 Bury 'B' (2) 2

The Warton Ground was in good condition considering the recently terrible weather we have been subject to. All credit must go to the Groundsman for all his work on the pitch. North End fielded a complete team of YTS players (no professionals), out of the 16 lads signed on. Missing was keeper David Lucas on first team stand-bye, Gil Brooks (long term injury), and Paul McMenemy, who is on crutches following an accident. Assistant youth team coach Gavin Nebbeling was in charge as Chris Sulley had gone to Sunderland to watch Carlisle United in action, in charge of the visitors was Ex-PNE youth coach Walter Joyce.
North End struggled in the first half to get their game together, unable to make much headway against a defensive minded Bury side, with a sweeper type back 5 and relying on long balls thrust forward, whereas North End tried to play a close passing game, with some good interpassing between the outstanding midfielder Paul McKenna and forward Colin Potts. This did cause the visitors problems, but poor finishing, especially on three occasions caused the chances to be squandered.
Pushing forward as half-time approached, North End youths left open spaces at the back and were severely punished, conceding two goals (41 and 44th min). The first a long range shot from outside the goal area, the second a chip over advancing keeper Spencer Harrison as he was left stranded by his own defence.
North End had now to show character in the second period to pull this one round , and so they did. What was wanted was an early goal and that's exactly what we got, within 2 minutes of the kick-off. A throw in from the right into the Bury goalmouth left Kevin Kilbane in a 1 on 1 situation with the keeper, Kevin strongly headed the ball downwards, it bounced up in front of the bemused custodian who could only stand and watch the ball go past him into the net.
That early goal certainly kick-started North End, from then on North End's midfield reigned with authority, Chris Borthwick and Paul McKenna being outstanding in not allowing the Bury lads to settle, and creating a tremendous amount of attacking directed towards the visitors goals, but the constant pressure did not bear fruit until Gavin Nebbeling played his trump card, sending on his two substitutes (81st min) - up front sub Stuart Bingham made a difference, attacking the defence down the right he forced a corner (87th min), he sent the corner kick into the goalmouth, it was deflected back out of area to Colin Potts, who hammered the ball into the net 2 - 2 now. Personally I was happy with that scoreline, not the North End lads though, they wanted the winner! A last grasp chance came their way, the centre from the right hand side again, this time it sailed over all the attackers and defenders to the far left corner of the goal area, where the Big "Cumbrian" centre back, Kyle Hayton, stole in to head the ball into the net past a helpless keeper (89th min). Only time to re-start the game before the final whistle, what a great comeback! They certainly showed character and passion to make this an exciting start to the New Year.
North End Team:- Harrison: Stewart, Taylor, McKenna, Corcoran, Hayton, McCrone, Borwick, Calligan, Potts and Kilbane.
Subs:- Bingham replaced McCrone 81st min
Lawlor replaced Taylor 81st min

Thanks for reading about and supporting our youths.
John Draper.

FANSCENE

ISA

At last North End are climbing the table and both the Play Offs, and dare we even say the top two places are in sight!
Carlisle certainly met their match last Saturday and once again mid table North End sold all their tickets whilst table topping United, with big cup games coming up could only muster just over 8000 for what is 'their' Derby. So much for their chants of 'Top of the league'.
On the subject of Carlisle, many North End supporters have complained following the decision to allocate the kop to Carlisle in February. Firstly for once both we at the ISA and the OSC were consulted prior to any decision being made. Every option was considered and basically it came down to either 2800 standing on the kop with the police approval or 4500 standing and sitting in the entire west stand like Blackpool had with possible police reservations. In the end the decision will as always upset some, but will also allow more Preston supporters to be at the match and provide us with sufficient seating. The mere fact that we were consulted is to be appreciated and were assured that the kop is not to be 'The Norm' for next seasons visiting fans when ground re development begins.
The best wishes of every PNEISA member go to Gavin Nebbling and his family who leaves the club to return south. Gavin was a credit to his profession and an excellent ambassador for PNE.
Congratulations must also go to Chris Sulley on his appointment last weekend as Youth Development Officer. Chris has been doing the job since Sam Allardyce went west and is doing a tremendous job. (See the Youth Page).
Finally on Wednesday 22nd of February, North End reserves take on Blackpool here at Deepdale. Together with the club themselves, the official supporters club and all supporters we will be trying to create a bigger attendance than Blackpools most recent 1st team crowd. (It shouldn't be too hard!)
We intend to publicise the game and ask you all to do your bit. Bring family and friends and lets once again astound our 'friends from the seaside'.
